

Monday 27th February 2017

The Membrane Keyboard Company Ltd require an enthusiastic and reliable member of staff to join our production team.

The vacancy is a multi skilled role which will encompass working within our assembly, print and press departments. The successful candidate must be capable of working independently as part of a team.

Experience is preferred but is not essential, however, training will be given where required.

- >Electro/Mechanical assembly
- >Laminating
- >Assisting in print department
- >Platen press operation
- >Despatch
- >Willingness to learn other skills depending on production needs.

This is a three month contract based, subject to a successful probationary period, based on a 38½ hour working week. There is a possibility this will be extended subject to the needs of the company. Hourly rate to be discussed.

The successful candidate must have excellent verbal, written and numerical communication skills and be competent in using e-mail, Microsoft Word and Microsoft Excel.

The ability to work to set processes and procedures and a commitment to ensuring quality is of the highest is essential.
